DIRTY DEN

Dear Mayfair,

For as long as I can remember, I've always wanted a den/games room and when my girlfriend and I bought our first house, I quickly figured out that the basement would be perfect for just that. So I asked my best mate Paul, who's a builder and carpenter, to give me a hand to transform the empty space into the man-cave of my dreams!

It took a few weeks of working in the evenings and at weekends to complete, but when we'd finished it looked awesome! I had managed to find a genuine pub pool table on an internet auction site and I put it in pride of place, in the middle of the room. The day we moved it in, I insisted Paul should be the first one to have a game with me, to 'christen' it.

Halfway through the game, my girlfriend, Karen, arrived home from work and came downstairs for a nosey at my new hideaway. After she'd said hi and made a bit of small-talk with Paul, I handed her my cue to take a shot for me - she can beat me on a good day, so I knew she'd nail it, which she did.

Paul and Karen always had good banter between them, but this particular day there was a palpable sexual tension between them, which I'd never noticed before. When Paul cheekily said that there was more than one way to christen a pool table, I knew Karen would have an equally smart answer. What I wasn't expecting, however, was for her to quip that if she missed the next shot, she'd let him fuck her there and then!

I wasn't shocked at her forwardness - a little surprised, perhaps - as Karen was not only one of the most outspoken women I'd ever met, but I knew she'd always fantasized about having a threesome with another man. We'd spoken about it quite a bit between the sheets and I knew the opportunity would present itself eventually in our relationship.

When Karen lined up to take the shot, I thought she'd at least try to hit it but she didn't, let alone pot it! Equally, I figured that one of them would back down but they didn't - they simply egged each other on, each daring the other to make the first move. When they finally turned to me and asked what I reckoned, I told them to get on with it! I'm far from the jealous type and after so much talk about seeing Karen with another man, I was more than up for the whole situation!

Paul lifted Karen up so she was perched on the edge of the table, her long legs then wrapped round my mate's back as they snogged and I watched on. My cock immediately stiffened, beginning to strain against my jeans. Paul's got a pretty big dick (I've seen it in the showers at footie), so I knew she was in for a treat - and even with her big gob she'd have a problem eating his whole length!

I felt my hard member throb as I watched him peel off her top, revealing her big, pert tits, and then her tight jeans. She had a little thong on underneath, and he slipped his hand inside to play with her clit, making her gasp and moan as he sucked and pinched her nipples.

When Paul dropped his jeans, Karen's eyes lit up and as she grabbed herself a handful of his prick. I moved my hands inside my pants and began wanking mine too.

Karen's pretty supple and bent her knees right back, so her heels were on the edge of the table, near her arse. This opened her shaven pussy right up and Paul yanked her tiny knickers to one side, then used his helmet to tease her slit. She carried on snogging him, her quivering tits the only sign that she was getting desperate for a good boning, and I was just about to tell him to get the fuck on with it when he suddenly thrust his prick inside her juicy pussy.

She clung to him, humping her crotch hard up against his. Inside her pussy she'd be pumping hard too, sucking and holding him in with her tight muscles. He had the right tool for the job but not the pace - he only lasted a few minutes before I saw him go tense, then blast his sploodge right up her pussy.

As Paul started to explain himself and make excuses for his lack of staying power (apparently he'd wanted to fuck her since he first met her and couldn't help himself), I walked over to take his place "Next time..." she moaned, then shifted position and opened her mouth so he could feed her his length to get hard again, while I fucked my girlfriend.

I brought her off quickly - I know exactly which buttons to press as we've been together so long - and then thrust hard and fast until I felt myself coming. I spurted up her snatch, which was already running a river, and thought Paul

would steam in as soon as he was ready to go again, but he was too engrossed in the blow-job she was giving him, sucking and licking his shaft while cupping and squeezing his balls. So I got busy with my hands. I pushed three fingers inside her slippery pussy and started moving them like pistons, while I lubed another two up with spunk before slowly shoving them up her bumhole.

I soon realized that the harder I frigged her, the less gentle she became with Paul's cock. She'd angled herself so she could take him right down to his balls - the deepest he'd ever been throatied in his entire life, he told us later. His arse was tensed right up as she gargled on his pre-come, and then suddenly he let out a big grunt and gave her a full, spunky load to swallow down.

That was eight months ago and we haven't repeated the experience - yet! Both Karen and I enjoyed the threesome and, when the situation naturally presents itself again we'll definitely have another go, but for the moment we are content just getting off on the memory of that wild evening!

Stephen, Letchworth.

BUZZY BEA!

Dear Mayfair,

Last month, after years of secretly buying and reading *Mayfair*, my wife found my latest issue - she blew her fucking top! I thought that was the end of it, the end of my porno mag habit, but a week later I came home from work much earlier than expected (in an attempt to try and patch things up) and found her masturbating over the very same mag - and she wasn't just having a sly finger...

Still feeling like I was in the doghouse, I'd slipped into our home quietly and went looking for Bea. She was nowhere to be seen downstairs and I was just about to settle down and have a gander at the paper when I heard a faint humming coming from above and crept up the stairs following the sound right to our bedroom.

Opening the door slightly, I was totally blown away by the sight that greeted me: my wife's naked arse and pussy riding a large, flesh coloured vibrator! Her round, peachy cheeks were facing me, her brown hole was winking in my direction and her hairy twat was clamped down tight on the fat dildo - needless to say, I got an

ALL FOUR ME!

Dear *Mayfair*,

I've never written to you before, but felt I really ought to after you featured not one, two or three but four of my favourite UK models in your latest issue (51.11)! Zara Mae's been tenting my trousers ever since she first appeared in your pages way back in volume 46 (doesn't time fly when you're looking at sexy women?!), and I have to say she's looking hotter than ever! Meanwhile Cara Brett and Amy Green have

both established themselves firmly in the ranks of *Mayfair* legends, while Jada Cameo, despite being pretty new to the mag, has already clearly demonstrate she's got exactly what it takes to become one as well! And, it has to be said, Ariana, Maria and Lotti didn't let the standards down either! Long may you continue.
Alan, Lewisham.

Blistering hot Babestation beauty Mia Middleton certainly made quite a splash when she rocked up for her first shoot last year (apart from anything else, the Ed knocked over his mid-morning glass of 'warm Ribena'), and after we ran her in 52.10 it quickly became clear that it wasn't only the Ed's trousers that had been impacted by her stunning appearance. So here she is back again, and if possible looking even lovelier than last time. Let's just hope the Ed's hand's a bit steadier this time round...

immediate boner!

As quietly as I could, I undid my fly and pulled out my hardened cock, toying with it as I watched Bea ride the big vibe in front of me, moaning and groaning in a way she never did when I was fucking her! And just as I was about to make it clear that she wasn't alone, I saw her flick a page over in front of her and I knew I'd have to creep in and find out what it was she was reading before I let her know that I was there...

Sure enough, she was reading the letters in *Mayfair* and clearly getting off on them way more than I ever did.

"Great, is it?" I said loudly from less than a foot behind her. I hadn't seen Bea move that fast in a long time; she was up and off the bed, the vibrator whipped right out of her twat and tossed halfway across the room, the mag flung in the other direction. Her hair looked demented and she had a look in her eye that was part orgasm-chasing lust, part utter terror – there was something very sexy about it.

I walked in and picked up the copy of *Mayfair* and then I slowly walked over to the vibrator and picked that up too, switching it off at the base before looking directly at Bea. "I take it your opinions on mags have changed somewhat since our last discussion?" I said, closing in on her with the dildo held at waist height. Standing directly in front of her, I rubbed the large domed tip around her crotch and looked into her eyes.

"Just take off your clothes and fuck me with your big, hard cock and we'll talk about this later," she said, pushing her tongue into my mouth and grinding her pussy against the sex toy as I rubbed it back and forth along her slit.

"So get back on the bed like you were and I'll fuck you with more than just my cock," I smiled down at her. Dutifully, Bea climbed back onto her hands and knees and offered me her naked cunt from behind. I slid the vibrator back up her cunt, fucking her with it hard and thrilling to the ecstatic sounds she was making. But that was noting compared to when I swapped the vibrator for my cock and let her clit have it at maximum vibration – she came and came like it was going out of fashion.

She came so quickly that I wasn't even half ready to explode, but then came the words I had dreamt of hearing from her for years: "Come on my face," she said breathily, looking at me over her shoulder. Those words were almost enough to finish me off but I quickly pulled out and knelt there waiting for her to turn around and open her mouth. Bea sucked on my cock, wanking it furiously and telling me to cover her face and tits in my creamy spunk – believe me, if you've never heard your wife talk like that and suddenly she's pumping your dick up and down right in front of her face, you shower her in more spunk than either of you have seen in a long, long time!

So can I just say thanks *Mayfair* for changing my sex life into something I've only ever dreamed it could be like before! Pete, Epping.

CLASSICS ROCK

Dear *Mayfair*,

Being 'of a certain age', I have to say your Classic section often brings back sweet memories, as well as proof (as if that were needed) that feminine beauty is timeless. Seeing Joanne Latham a few issues back reminded me of my student days, when she starred in a favourite fantasy, in which she was my Victorian mistress!

Luckily for me my time at college wasn't confined to fantasizing, because I was taken in hand by a kindly lady who liked to see students sowing their oats, but I was surprised to find that despite the fun I was having with Marion, I was enjoying wanking just as much as before – possibly more so, in fact! I longed to confess my dirty secret to her, but was far too shy in those days, until one day she stumbled across my stash when she was looking for a book I'd promised to lend her.

But despite my red face, she clearly wasn't averse to flicking through the pages of *Mayfair* either, and after that she would cuddle me in her plump arms as we leafed through the mags together, encouraging my erection with the touch of her silky soft thigh flesh.

She loved copying the poses that we admired in the magazine, displaying her pink fanny petals between the plump pillars of her creamy thighs. We always ended up fucking like rabbits instead of attending boring old lectures.

Needless to say, I have very fond memories of those times, and they always come flooding back when I see a Classic set that set my passions aflame all those years ago, so please pass on my thanks to all *Mayfair's* naughty maidens for their contribution to the Joy of Life!

Gabriel, London.

Hang on a sec - Sammi Tye. Unless we're mistaken, it's been two whole years since we last featured the Reading-born stunner, which doesn't seem quite right, does it? What on Earth happened there?

"Oh, I had a few irons in the fire, setting up a new business and that, so I didn't have much time to do any modelling for a while there, but I suddenly remembered how much I enjoyed it and thought I'd pop in and see if you wanted another set or two of me!"

Well that's a bit of a no-brainer, Sammi - just don't leave it so long next time!

Rather like buses, you can wait ages for one saucy newbie from Hertfordshire to beat a path to your door, and then two come along at once! (They'd be a bit more fun to ride than buses, mind!) First there was Carmel, and now we have Babestation beauty Jasmin M, who's braved the morning horrors of the M1 and M25 to be join us for this shoot – and we're damned glad she did!

"The journey wasn't that bad – and besides, I'd go further than that to appear in *Mayfair*!"

Aw, you say the nicest things!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

My boyfriend, William, is definitely what I'd call an 'outdoorsy' type of man. He's a keen hiker and there's nothing he likes better than getting up early at the weekend, packing a lunch and heading out for the day, away from the crowds. I have to admit I'd rather spend my days off curled up in bed watching old black

week, when we were both at work, much to his annoyance. However, there was one weekend in July, which was a scorcher and as the Saturday approached and the weather forecasters predicted the sunshine, I could tell that he was itching to get out on the moors. I was too, as I was feeling cooped up, what with being stuck in an office all week, and all the rain when I wasn't.

We got up early on the Saturday, packed some lunches and drove out through the glorious Cumbrian countryside to a place called Derwentwater, which William had been going on about hiking for a while.

It was a gorgeous day, and there weren't too many people, but the odd couple and loner en route, and we had a good morning, working up an appetite. It was quiet and still till and very beautiful.

By lunch, I was starving, and we laid out a blanket on the ground to sit and eat. The view was fantastic, and as we basked in the sunshine and stuffed our

faces, I was really content.

We stayed there for about half an hour, just taking it all in. Then I pushed myself up and sat astride William. "Give us a snog, then," I said, smiling. At that point I wasn't after more than that, just a bit of quality kissing with my man, but it soon became a whole lot more!

William wrapped his arms around me and he kissed long and hard, barely coming up for air. It was like we were the only two people in the world.

"Feeling naughty?" William asked with a grin.

"Why, what do you have in mind?" I replied, cheekily.

"Nothing much. I was just thinking, the two of us, out here, alone, nobody about... Do you fancy a quickie?"

I laughed at first, but there was a look in William's eyes that said that if I went for it, we could be doing a lot more than walking

PLEASURE WELLED UP
INSIDE ME.

for the next half hour.

"Oh, go on then," I said, half jokingly.

Looking around again to make sure there was nobody in sight, he started to kiss me again, more forcefully this time. His hands found their way underneath my T-shirt and bra, cold against my warm skin, making me gasp. They warmed up quickly, though, and soon he had one palm down the front of my trousers, pressing against my clitoris and getting my juices flowing.

I was sitting astride him side on, but I moved so that I was straddling him, our groins rubbing against each other. Even through our trousers, I could feel that he had a whopper of a hard-on going, and although it was weird to be doing it outside, I was really horny and kind of excited by the whole thing.

We kissed again, rubbing up against each other, and then I stood up and pulled William to his feet, moving behind a perfectly situated huge rock. I leaned against it, bracing myself, and William pulled my trousers and pants round my knees. It was a little undignified, but by that point I didn't care! I felt my pussy get moister as the pleasure welled up inside me.

"Please fuck me," I managed to say. It was obvious that this wasn't going to be a long sensual shag, so I wanted to be screwed good and hard. William was more than willing to oblige. He unzipped himself as I kept watch, and then his thick, meaty cock slapped against my pussy, wetted with my juices, and slid inside.

I don't think he'd ever filled me as much as he did then. Whether it was just the fact we were outside, or that we were just in the right frame of mind, his cock seemed bigger. I gasped again as he eased his full length inside me, and his hands held my hips, so he could rhythmically slam up into me.

and white movies with him, but as long as we get a good balance that keeps us both happy, it works out fine.

Last summer, the weather wasn't particularly fantastic at the weekends (or at least when we had nothing on), so William didn't get to go hiking all that much. It seemed to be at its fairest during the

I looked out over the landscape, and I thought I saw a couple of figures in the distance, walking the way we had just been. I figured we had maybe ten minutes before they were close to us and, although we could hide, I didn't want to get caught screwing

outside. I'm not into that whole 'getting caught' fantasy.

I told William. "Well, I'd better fuck you faster, then," he said, and started to pump in and out of me. His cock plunging deep into my pussy, pulling out until the cockhead was nudging my lips, and then right back in again. He was like a piston, banging into me, and it felt amazing.

I pushed back, trying to get every inch of him inside me. I was close to coming, not even checking to see how close the walkers were getting. By this point I didn't really care, anyway. William fucked and fucked, reaching round to frig my clit as he banged away. Well, that did it and I reached orgasm, my pussy clenching against his cock. That seemed to set him off, and he spat his spunk deep inside me, lurching forwards against me, reaching out with an arm to prop himself against the rock.

We stood there like dogs, interlocked for a moment. I glanced up, the other hikers getting closer by the minute. William pulled out of me and zipped up quickly, whereas I had to drag my trousers

and pants up, trying not to look like I'd just been fucked good and proper! We waited until they were momentarily hidden by the brow of a hill and scooted round to the front of the rock, sitting with the remains of our lunch. Neither of us could face walking off just yet.

By the time the people caught up to where we were, we'd both managed to get some semblance of normality back, although William said I looked a bit flushed. We exchanged a bit of small talk with them, like you do when you're out on the hills, although I was a little distracted by the trails of William's come I could feel dribbling down the crack of my pussy and arse.

As it's been winter, we haven't had a chance to repeat the experience yet this year, but I think we're both looking forward to some 'hiking' fun together again this summer as soon as the weather's perked up enough!

I've always been a bit inhibited when it comes to sex. I'm 30 years old and I think I've got a nice enough body – I'm slim with an hour-glass figure, my boobs make a decent handful, and I've got long, jet-black hair reaching almost to my bum. But when it comes to sex I'm pretty inexperienced; for some reason men never seem to notice me.

I'm pretty fluent in French and German, and I can earn some useful extra money teaching in the evening. Anyway, a few weeks ago I had a call from a local businessman

who said he'd heard I gave French lessons and wanted to get a grasp of the basics. We agreed terms and he arranged to come round the following evening.

He sounded very suave on the phone and his appearance was a perfect match:

I COULD FEEL HIS COCK PRESSING AGAINST MY BUM AS HE RIPPED MY BLOUSE OPEN.

he had short blond hair and a nice kind smile. Being alone together like this soon made me think about the erotic potential of the situation, and it wasn't just me who was getting a bit horny: after a while I couldn't help noticing that there was a bulge in his trousers and he'd got a hard-on! I was totally shocked, and inadvertently stopped what I was saying mid-sentence, finding myself gawping at his tenting crotch like an idiot with my mouth wide open!

"Sorry," he said, looking a little bashful.

"That's OK," I replied, blushing myself.

My heart was pounding, my mouth went dry and for a moment I thought about jumping up and rushing from the room.

Charlie noticed the effect he'd had on me, and then, as though to put me at my ease, took hold of my hand and slowly drew it to his crotch.

I was absolutely mortified, but I was so

He stood me up, turned me around and bent me over the table, his sopping cock hanging semi-stiff between his legs. Next thing I knew he'd lifted up my skirt and was stroking my bum through my drenched knickers, and I was purring like a pussycat!

I felt really dirty but I loved it. All I could do was squeal as Charlie took to licking me out from behind, and when I felt him put his finger up my bum that was it, I came in his face as he poked it in and out.

After that he lunged at me, holding his resurgent manhood purposefully in his hand. Charlie absolutely hammered me, my whole body shaking with his relentless thrusting. It took less than a minute before I was coming again, wailing and screaming all manner of nonsense at the poor man. He must have thought I'd taken leave of my senses, and in truth I probably had!

Suddenly Charlie stopped pumping me and I felt him pull out of my pussy.

"What are you doing? Don't stop!" I screamed, turning round to grab his pulsating manhood.

"Let's go to bed, I want to see your face while I'm fucking you," he said. "You've got a lovely arse, but I want to see your face when I come."

It was a nice idea, but I didn't want to stop. As soon as we got to the bedroom I immediately got on my back and held my legs wide open. Charlie grabbed my ankles and pushed them right back so that they were almost behind my ears before he rammed his cock back up me. I screamed in ecstasy as he went for it, giving me the fucking of a lifetime. That blow-job I'd given him made him last an eternity, and I think he was relieved in more ways than one when he finally cried out that he was about to come.

"Oh Christ Marie, I'm coming, I'm... Ahhh!"

After all the spunk he'd just heaved down my throat I didn't think there'd be any left, but there was plenty. I felt his cock spasm inside me as jet after jet of searing mess flooded my insides. It felt wonderful as it ran out of my fanny and down my bum, and when he'd finished I sucked him clean, not wanting to waste a single drop.

We had sex another couple of times before he left for France, but I never got round to giving him a single lesson! He'd certainly given me one though, and I shan't forget it in a hurry. A few like those more and I think I'll be fluent!

turned-on that I almost came there and then. I automatically started to stroke him through his trousers, and Charlie drew a sharp breath as I squeezed his heavy balls through his trousers.

"Oh God, Marie, come here," he said, and picked me up and sat me in his lap. He grabbed at my breasts as our tongues darted into one another's mouths, and I could feel his cock pressing hard against my bum as he ripped my blouse open and flipped my bra up over my sensitive breasts.

"Stop!" I said after a moment. Charlie looked at me inquiringly, wondering if he'd gone too far, but for possibly the first time in my life I'd lost my inhibitions and was ready for some serious sex. I sank to my knees, unfastened his trousers, and

grasped Charlie's cock with both hands.

He seemed pretty big to me but I managed to get it into my mouth, and I sucked him hard and fast, wanking his shaft up and down with my long fingers and tickling him behind his bollocks.

All I could think about now was making Charlie come, and I sucked him frantically. It didn't take long, and oh my God did he squirt! His sperm flooded my mouth completely, half of it running out from between my lips and down over my fingers, there was so much of it!

After that I just wanted to be fucked and fucked hard, but I knew Charlie would need a little time to recover.

"I SUCKED HIM HARD AND FAST, WANKING HIS SHAFT UP AND DOWN WITH MY LONG FINGERS..."

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 112 Down Street, West Molesey, KT8 2TU.

A young couple are having problems in their marriage and decide to go for counselling. The counsellor asks what the biggest problem they face is.

"He suffers from premature ejaculation," she says, jabbing her thumb

asks him.

When the man asks what the difference is, she replies: "Well, when it's sliced it gets harder faster."

"Fuck me," says the man. "How come everybody knew about this except me?"

docks, where they bet every docker that the stud can make love to 100 women in a row and satisfy each and every one of them. Bets are placed and everyone agrees that the big fuckfest will take place the following afternoon.

The next day 100 women are lined up on the dockside. The stud drops his pants and gets to work. And the man is good! 1... 2... 3... on and on he goes. And the women are all satisfied. 97... 98... 99... Before he can get to the very last woman, though, the stud suddenly has a heart attack and dies.

"I just don't understand," the manager says. "Things went so well in rehearsals this morning!"

M

A man and his wife are together in bed. The man is getting very frisky and asks his wife if she's in the mood. "Not tonight. I've got a headache," she replies.

"Is that your final answer?" the husband asks.

"Yes," she says firmly.

"Then I'd like to phone a friend."

M

After 35 years doing exactly the same delivery route it's the postman's very last day before retirement. When he gets to the first house the whole family are waiting for him, clapping and cheering. They send him on his way with an envelope stuffed with cash. At the second house he's given a big box of cigars, while at the third house he receives a lovely watch.

At the fourth house he's met by a gorgeous woman in stockings and susses who takes him upstairs and absolutely fucks his brains out! The postman is amazed and delighted, especially when

she then makes him the best breakfast he's ever tasted.

The postman is about to leave when she puts a pound coin in his hand. The postman is puzzled. "What's this for?" he asks.

"Well, I was talking to my husband about the fact that you were retiring and asked him what we should do. He said 'Fuck him, give him a quid.' The breakfast was my idea!"

M

A bloke comes home from work one day and, feeling generous, gives his crabby wife a gorgeous bunch of flowers. "I suppose this means I'll have to get on my back with my legs open for the next three days," she grumbles.

"Why?" says her husband. "Haven't you got any vases, then?"

in the direction of her husband. The counsellor asks the man if this is true.

"Not exactly," replies the man. "I do ejaculate prematurely. But she's the one who suffers!"

M

Two old guys are talking about their sex lives. One says he still has a really active time, while the other has to admit that his sexual appetite has all but disappeared.

"I'll tell you my secret," says the first man. "Rye bread. I eat it every day and I can still get it up whenever I want to."

The second man promptly makes his excuses and heads straight for the bakery. Once he gets there he asks the girl behind the counter for some rye bread.

"Do you want it left whole or sliced?" she

A masked gunman holds up a sperm bank. "Open the safe," he screams.

"But this isn't a real bank," says the terrified girl behind the counter. "It's a sperm bank."

The gunman doesn't listen. "Open the safe or I'll shoot," he cries. The girl does as she's told and opens the safe.

"Now take one of the bottles and swallow it," he orders. The frightened woman does what she's told and swallows the lot. Then the gunman takes off his mask. To her astonishment the woman realises it's her husband.

"See," he says. "That really wasn't so bad now, was it?"

Yep, it's that time of the month again. No, not THAT time of the month – we mean the time of the month when we get to introduce you to another scrummy *Mayfair* newcomer! Saskia Jade's a bit new to all this sort of thing, but she's already finding that there are few things nicer in life than being all saucy in front of a camera...

"Yeah, I love it! I've always liked showing off since I was a little girl – well, I'm only 5 foot nothing, so perhaps I should say since I was a littler girl! – and now I'm doing it for you guys! I hope your readers enjoy it as much as I'm doing!"

Oh, there's a good chance of that!

Well, from a couple of girls who are still finding their feet in the wonderful world of *Mayfair* to one of our fave models of the last 10 years or so – although she's still only 29! Dani Maye's just seems to go from strength to strength, doesn't she?

"I'm sure you say that to all the girls!" she grins, and to be fair, we're not above a little flattery now and then, but in this case it really is the truth and we bet she knows it, too!

"Well, I like to keep in shape, so I'll believe you this time – let's see if you can say the same in another 10 years!"

OK, it's a date!

VANESSA

Age: 25 Vital Stats: 32DD-24-34 5'5"
Photographer: Dazglam

Mmm, south-coast saucepot Vanessa Scott looks quite a tasty treat in her slightly sporty take on the classic lingerie look, doesn't she? We bet she drives the guys wild when she's out and about before some lucky lad or other is allowed back to her boudoire...

"I'm not sure I'd call it a boudoire – bedroom's just fine! I don't know if I do drive the guys wild, though. I'm usually out with a load of mates, and some of them are a lot more flirty than me, so it's not unusual for them to get all the attention when we're out on the town. Still, I do have a trick or two up my sleeve if I want to get some attention – like letting it slip that I've been in *Mayfair*!"

We're glad to be able to help!

LUCY

Age: 27 Vital Stats: 34B-27-37 5'6"
Photographer: Dazglam

We rather fell for Lucy when she made her *Mayfair* debut back in 58.03, so we thought we'd waste no time in getting her back again, but it seems she's been busy girl since then...

"Well, yes, It's all been a bit of a whirl, to be honest. I've been living out of a suitcase for the last couple of months, really, travelling here and there either modelling or on holiday. In fact I'm really looking forward to getting home and putting my feet up for a while!"

If it's somewhere to put your feet up you're after, I've got the perfect spot right here!

"Oh really, where that?"
My shoulders!

AMBER JADE

Age: 23 Vital Stats: 32H-25-34 5'4"
Photographer: BBM

So debate rages on about how naughty the models out to be who appear in *Mayfair*, but we're delighted to say that busty Babestation beauty Amber Jade's not going to be holding anything back on this, her debut appearance in the magazine!

"Well as it happens I'm quite proud of my pussy and am more than happy to show it off!" she insists. "Knowing that there are loads of horny guys out there looking at me and getting off on it is the biggest turn-on ever, and I really hope they like these pictures and want to see more of me in *Mayfair* soon!"

We reckon that sounds like a pretty safe bet, Amber!
